

JobOppO, a national veterans' employment community, provides insight, introductions & opportunities to assist veterans find meaningful employment with committed & understanding employers, while advocating widely about veterans in employment & encouraging a more positive approach.

JobOppO provides registered Veterans & Service Leavers free access to the following support tools;

- A dynamic jobs board offering diverse opportunities
- An extensive network of Veterans & Armed Forces Champions in the civilian workplace
- A 6 module Employability Skills Development Series, created by Veterans for Veterans
- Sector focused podcasts offering useful insight to all
- An exclusive app-based Veterans' Employment community full of information and empathetic OppOs
- No strings, white noise or nonsense
- All support is **completely free** & funded by our Employment Partners
- Our app-based Veterans' Employment Community, **JobOppO House**, is for Veterans & Service Leavers to help themselves & each other find **purposeful employment** where they will add value

- We provide **Insight, Introductions & Opportunities** to all OppOs
- We focus on the **12 sectors** we see as the most attractive & receptive to Veterans & Service Leavers
- JobOppO builds **partnerships** with like-minded organisations
- We want to **Change the Narrative** around Veteran employment & to encourage people to **talk more positively** about life after the military
- Too many Veterans are **underemployed** & we want to break this habit
- JobOppO wants the language of *transition, discharge, termination resettlement* etc to improve – we refer to it as the **“Changing Gear”**
- We advocate that Veterans are **Valuable Not Vulnerable**
- A percentage of our revenue is donated to chosen **military charities** yearly
